We are ...

- a council elected by the foreign residents of Marburg
- the first port of call for anyone seeking advice – regardless of country of origin or status
- your point of contact and intermediary in matters regarding migration and political participation

We ...

- counsel the City of Marburg on integration policy
- have open office hours and offer free legal consultation
- work together with organizations and initiatives
- organize our own events

We...

- are your voice, strong and firmly committed to the concerns of Marburg's foreign population and people with migration background
- are non-partisan and non-denominational
- advocate equal status and equal rights
- are against racism and all forms of discrimination
